Dear Interested Student:

Thank you for your interest in applying for an internship in my office. I am pleased to see that you want to learn more about the political process.

An intern position in my Washington office would consist of greeting visitors, opening mail, answering telephones, clipping news articles, giving Capitol tours, completing special project assignments, attending seminars, briefings, and hearings, and working with the legislative staff as needed. Summer interns will also have the chance to attend weekly lectures designed specifically for interns, with a wide array of speakers.

There are three summer sessions between the months of June and September. To qualify for these positions there is certain criteria that applicants must meet. First, preference is given to students who live in the 20th Congressional District. Secondly, applicants must have completed at least one year of college. In addition, since the nature of congressional internships requires a certain level of maturity and scholastic experience, students who have completed at least their sophomore year in college will be given the highest priority. After all resumes and applications have been reviewed, we may also ask you to participate in a telephone interview.

In the summer of 2004, we will offer over-lapping eight-week sessions beginning the end of May. Session I will start on May 31st and will end on July 23rd. Session II will start on July 5th and will end on August 27th. Session III will start on August 9th and will end on October 1st. The summer sessions are highly competitive and students are given a stipend of \$1,200 per month, before taxes, to offset their living expenses. Also, my staff will be more than happy to assist you in finding a place of temporary residence for the summer if help is needed.

Thank you again for your interest. The application should be filled out in its entirety and faxed to my Washington, D.C. office by April 12, 2004. Resumes and letters of recommendation may also be included with the application. Please fax these completed materials to our Intern Coordinator's attention, Katie Stevens at 202-225-9308. Katie can be reached at 202-225-3341 or at katie.stevens@mail.house.gov, should you have any questions regarding the application process.

Sincerely,

A handwritten signature in black ink that reads "Cal".
